

United States Air Force – NEMF is a great alternative to air freight when shipping 999 MICAP Freight

- Mission Capability freight is critical; choose NEMF ground service instead of air freight
 - Reduced handling of freight
 - Air freight speed at ground prices
- NEMF serves thousands of communities overnight
- Before you route your 999 MICAP freight via air consider NEMF; when submitting a route order in CMOS:
 - Choose truck mil code and look for the NEMF SCAC

Compare our ground rate to your air freight rate and begin your savings today. Choose NEMF – air freight speed at ground prices!

Call NEMF Government Services at 800-847-2728 or governmentservices@nemf.com to book your 999 MICAP shipment.
